ARJUN PATIL

Backend Developer

arjun.patil@example.com | +91 93700 80901 | Pune, India

SUMMARY

Backend Developer with 3 years of experience building software products. Designed PostgreSQL schemas and wrote complex SQL reports for the finance team.

SKILLS

Languages: Python, SQL
Frameworks: FastAPI, Django
Tools: Docker, Git, AWS, Redis

EXPERIENCE

Backend Developer - Northwind Labs, Pune (Jul 2023 - Present)

- Design, build and maintain scalable REST APIs using Python and FastAPI.
- Model data and write efficient queries for PostgreSQL databases.
- Containerised legacy services with Docker Compose for consistent local development.

Software Engineer - Blue Orbit, Mumbai (Jun 2021 - Jun 2023)

- Write unit and integration tests and take part in code reviews.
- Designed idempotent webhook handlers for payment provider callbacks.

EDUCATION

B.E. in Information Technology - University of Mumbai (2017 - 2021)
